Bulb & Flower Farm

Tenth Anniversary of my Entering the
Bulb Business

I am pleased to offer to my many customers and friends for 1931, a fine selection of high grade bulbs at greatly reduced prices.

This is my Tenth Anniversary in growing and selling GLADIOLUS BULBS and I want to give all my patrons some extra fine bargains to celebrate the event. In keeping with the times I am issuing a rather modest price list to enable me to give my customers as big values as possible.

GUARANTEE

I guarantee all bulbs sold by me to be sound, healthy bulbs and true to name. A farmer sold a lady a dozen of eggs which he guaranteed to be fresh, but, he stated, "I cannot guarantee you will have good luck with the cakes you make from them."

I cannot guarantee the germination of bulblets; 75% is about all I expect for myself.

If your bulbs are not satisfactory when received, send them back without mixing and your money will be refunded in full.

ORDER EARLY

All bulbs are shipped prepaid at list prices. Orders for less than \$1 must include 10c for postage and packing, as small orders are only shipped at a loss.

Terms are CASH WITH ORDER—Checks, Money Orders or Cash.

If stamps, please make it 1c denomination.

I always have something good in plants and flowers to show. Melons and ripe Tomatoes in season.

Hand planting, weeding, digging, cleaning and grading adds a cost to bulbs, but insures quality.

DAHLIA BULBS

I am listing a very few of the best and most satisfactory varieties of these beautiful flowers. The bulbs I sell will be sound and in good growing condition. These are varieties that I have tested and found to be very satisfactory for cutting.

Mrs. I. D. VerWarner—A large flower on stout stems, and free bloomer. Color is of a beautiful orchid pink shade. Price per single bulb, 40c; 10 bulbs for \$3.50, postpaid.

Jersey Beauty—Many consider this the finest pink dahlia in existence. The color is called "eosine pink" by the originator, and is a wonderful color, large flower, stiff stem and profuse bloomer. My favorite dahlia. Per bulb, 50c; 10 bulbs for \$4.50, postpaid.

Cigarette—Creamy white, heavy edged; orange with color variations. Some flowers come in orange red. Petals long and narrow, slightly curled. Blooms large and

seldom two alike. Very odd. Per bulb, 40c; 10 bulbs for \$3.50, postpaid.

Red Indian—Very dark red free bloomer, medium size blossom. Per bulb, 15c; 10 bulbs for \$1.00, postpaid.

Pinkie—A very pretty rosy pink pom-pom. Very free bloomer, and fine for cutting. Per bulb, 10c; 10 bulbs for 80c, postpaid.

Jersey Mammoth—One of the largest. Huge blossoms of golden mahogany. If you want to make a sensation next summer try one of these. A very limited supply at 75c a bulb, postpaid.

Dahlias may be shipped with other bulbs, but total order must be for a least \$1.00, or 10c extra will be charged for postage and packing.

NOTICE

All bulbs sold at the garden will be priced to offset the cost of postage if sent by mail.

HARDY PLANTS AND CUT FLOWERS

Many plants and cut flowers will be on sale at the Gardens throughout the season from April till frost. Prices right.

CRINUMS

I am listing something new this season for you to try. The Crinum is related to the Amaryllis family and makes a fine house plant, or may be grown in the garden through the summer. It may be hardy if well mulched in

the fall. I can tell you more about that next spring as I have left some in the ground outside this winter to see what they will do. They are worth trying anyway if you have to take them up in the fall. I find them early and free bloomers, and a highly ornamental house plant. The bulbs are quite large. I am listing three colors. One bulb of each of the three colors will be sent postpaid for \$1.00.

	Each
Chlidanthus fragrans, yellow, sweet scented	40c
Crinum Powellii rosea, pink,	50c
Pancratium maritimum, white, scented,	40c

REGAL LILIES

The most popular lily coming in July for cutting. Very hardy anywhere if planted 8 or ten inches deep in well drained soil. Good blooming size bulbs to make one to three blooms in 1931; 25c each, \$2.50 a dozen, postpaid. Order before April 1, please, as they should be planted as soon as possible after that time.

Regal Lily Seed, 1930 Crop

One Packet for 10c, $\frac{1}{2}$ oz. for 30c, 1 oz. 50c, postpaid.

MADONNA LILIES

Madonna Lily bulbs should be planted in September. The original Easter Lily. Perfectly hardy. Blooming size bulbs, 25c each; \$2.50 a dozen, postpaid.

IRIS

Iris are best planted out in July and August. I have many different kinds. If interested, write for prices and list.

TULIPS AND DAFFODILS

These should be planted in October. Send for list and order not later than September 1.

MIXED GLADIOLUS BULBS

I offer but one mixture and one collection this season. Gladhaven Mixture is better than ever, with many new varieties and all the small "prims" eliminated. I doubt if there is any better assortment put up by any grower at these prices. You will find about every shade known to the "glad" family in this mixture. Some are late, some midseason and mostly early, giving a long blooming season of floral joy.

Per	Large	Medium	Small	Bulblets
10 bulbs	\$0.40	\$0.20	\$0.10	Pkt. \$0.10
100 bulbs	\$3.00	\$1.50	\$1.00	Qt. \$1.00

Large size, $1\frac{1}{4}$ and up; medium size, $\frac{3}{4}$ to $1\frac{1}{4}$; small size, $\frac{3}{8}$ to $\frac{3}{4}$.

All bulbs postpaid at list prices if your order amounts to \$1 or more. If under \$1, enclose 10 cents extra for postage and packing. In the following list you can order 5 bulbs at the 10 rate or 25 bulbs at the 100 rate. Can only supply at the 100 rate those listed, as those listed each are varieties I am short of. Bulblets will be put up in a generous package at prices listed without counting unless number is specified.

ORDER EARLY if you want your order filled complete as I will begin planting May 1 and frequently run out of some varieties.

NOTICE

If you want my catalog in 1932 there are two ways you can get it. First send me an order this year and I will keep your name on my mailing list. Second write in for it and I will be glad to mail you one free.

If you have friends who are flower lovers I would be glad to send them a catalog if you will send me their name and address.

CLUB ORDERS

Make up a club order among your friends and save money by buying by the hundred. I usually add something extra with all orders; the larger the order the more extras.

Orders for less than \$1 are filled at a loss owing to cost of postage and packing. Please add 10 cents to orders to be mailed that do not amount to \$1.

I do not issue a late fall list of gladiolus bulbs as I find it does not pay either myself or the purchaser. Bulbs shipped in the spring are fully rested for planting, and disease, if any, has made its appearance. It is better for you to let me store the bulbs through the winter and take all the risk. Orders, however, will be accepted at any time and shipped at current market prices when wanted.

NEW ENGLAND GLADIOLUS SOCIETY

If you are not already a member of this live, progressing organization of Gladiolus fans and growers, why not fill out the enclosed blank and enclose a dollar for a year's membership fee and receive not only the 1931 Year Book but also a copy of the 1930 Year Book extra. You can send your order direct to Mr. Brown at Ashland, Mass. If you send it to me direct together with an order for bulbs, I will include one bulb of Veiled Brilliance with your order as an extra inducement to join this society.

This offer is to new members only and must be in before April 1 if you want the extra bulb. Your subscription may be sent in at any time, but to be sure of getting the 1930 book you better make it snappy. The two books are worth much more than the dollar.

Call and see us this summer. We're on the cement road just one mile north of the Main St. Post Office on the road to the White Mountains.

Cordially yours,

GEORGE G. FOWLER
